

# Petro Drilling Mining Oil Company

## PetroDMO

(An ISO 9001 : 2008 Certified Company)

### Looking Deeper...

### Higher!

**Vision:**

Fostering growth through strategic partnerships, customer support, innovative technology and emerge as a world class company. Setting higher standards of quality, reliability and corporate social responsibilities.

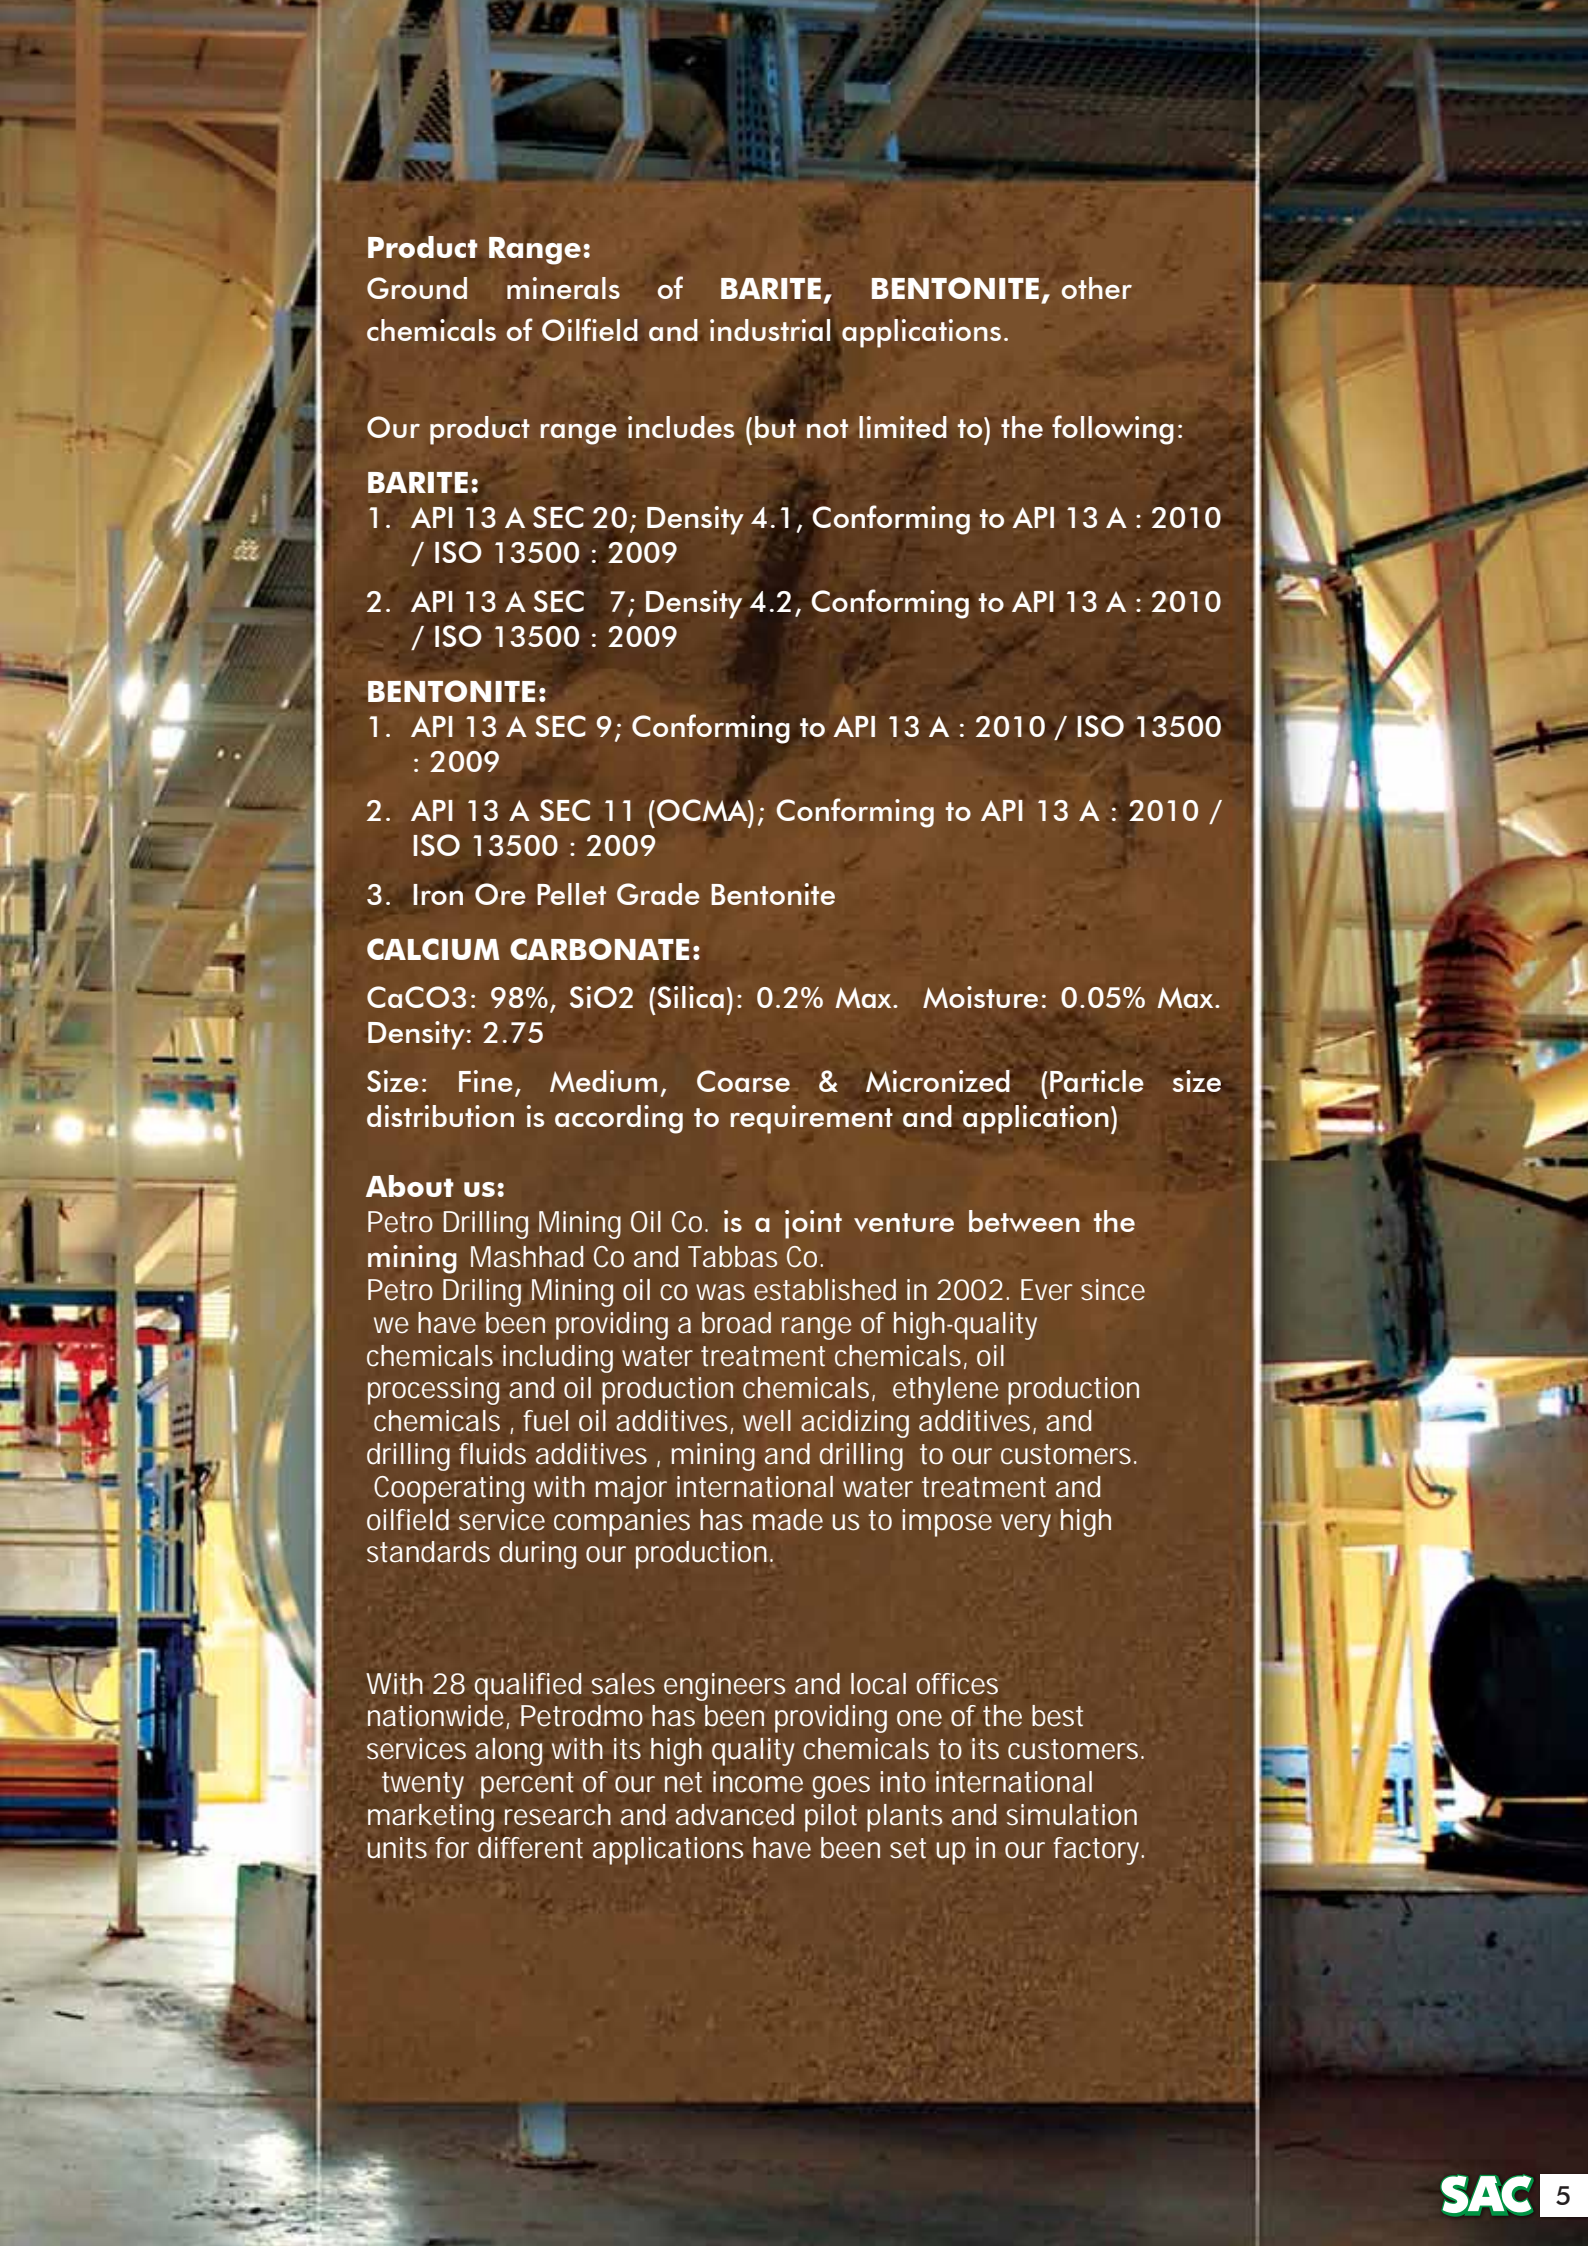

**Mission:**

Realizing the dreams and hopes of its employees, stakeholders, customers and business associates. Making a positive contribution towards the country's economy and development.

The background of the page is a photograph of an industrial facility, likely a chemical plant or refinery. It shows a complex network of pipes, metal walkways, and structural beams. The lighting is somewhat dim, with some bright spots from overhead lights. The overall color palette is dominated by greys, blues, and yellows.

### **Product Range:**

Ground minerals of **BARITE**, **BENTONITE**, other chemicals of Oilfield and industrial applications.

Our product range includes (but not limited to) the following:

#### **BARITE:**

1. API 13 A SEC 20; Density 4.1, Conforming to API 13 A : 2010 / ISO 13500 : 2009
2. API 13 A SEC 7; Density 4.2, Conforming to API 13 A : 2010 / ISO 13500 : 2009

#### **BENTONITE:**

1. API 13 A SEC 9; Conforming to API 13 A : 2010 / ISO 13500 : 2009
2. API 13 A SEC 11 (OCMA); Conforming to API 13 A : 2010 / ISO 13500 : 2009
3. Iron Ore Pellet Grade Bentonite

#### **CALCIUM CARBONATE:**

CaCO<sub>3</sub>: 98%, SiO<sub>2</sub> (Silica): 0.2% Max. Moisture: 0.05% Max. Density: 2.75

Size: Fine, Medium, Coarse & Micronized (Particle size distribution is according to requirement and application)

#### **About us:**

Petro Drilling Mining Oil Co. is a joint venture between the mining Mashhad Co and Tabbas Co. Petro Drilling Mining oil co was established in 2002. Ever since we have been providing a broad range of high-quality chemicals including water treatment chemicals, oil processing and oil production chemicals, ethylene production chemicals, fuel oil additives, well acidizing additives, and drilling fluids additives, mining and drilling to our customers. Cooperating with major international water treatment and oilfield service companies has made us to impose very high standards during our production.

With 28 qualified sales engineers and local offices nationwide, Petrodmo has been providing one of the best services along with its high quality chemicals to its customers. twenty percent of our net income goes into international marketing research and advanced pilot plants and simulation units for different applications have been set up in our factory.

API 13A SEC 7 BARITE

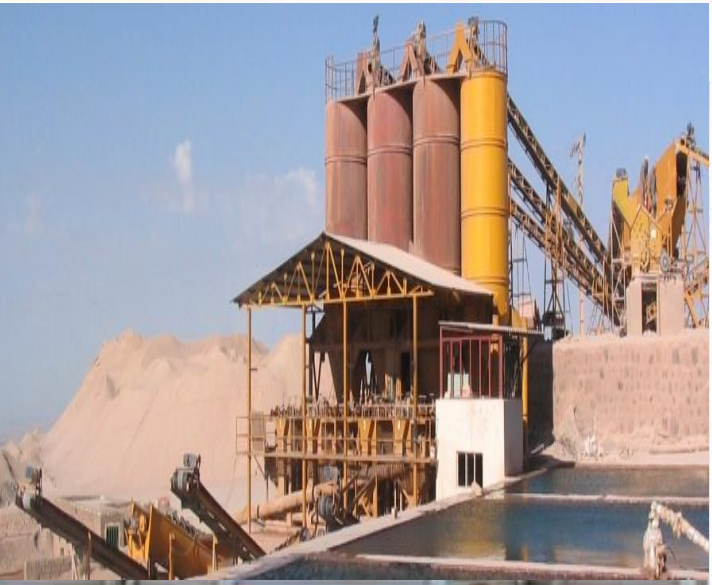

A large industrial facility, possibly a refinery or chemical plant, featuring multiple levels of walkways and a large cylindrical tank labeled 'IF-2-1'. The image is overlaid with a semi-transparent brown filter.

### **Infrastructure:**

More than 23,000 metric tons of chemicals, drilling, mining, oilfield and ... is produced and supplied to more than 1,000 local and international customers annually. Our expertise allows us to tailor costume programs for each different costumers all over the world therefore maximizing the efficiency of our products.

API 13A SEC 9 BENTONITE

CALCIUM CARBONATE - LCM FINE

## **Achievements:**

### *Manufacturing:*

- We have doubled our production capacity from 100,000 MT / year to more than 200,000 MT / year of ground minerals by expansion of plant and equipment within 2 years of startup.

### *Quality Management Systems:*

- Our product quality conforms to API and ISO 9001-2008.
- We follow Total Quality Management System.

### *Safety & Environment:*

- We take appropriate measures to ensure that the plant is operated and maintained in accordance with highest standards of Health, Safety and Environment (HSE), which is fully compliant with statutory guidelines and exceeding the industry standards.
- Though our production process does not produce any Green House Gas (GHG) directly but we do take adequate steps to reduce indirect causes of GHG emission as well as emission of dust.

N° 2016/70707.1

AFNOR Certification certifies that the management system implemented by:  
*AFNOR Certification certifie que le système de management mis en place par :*

**Petro Drilling Mining Oil Co**

for the following activities:  
*pour les activités suivantes :*

**FORMULATION, DEVELOPMENT AND PRODUCTION OF CORROSION INHIBITORS,  
SCALE INHIBITORS, DEMULSIFIERS AND DRILLING FLUID ADDITIVES.**

has been assessed and found to meet the requirements of:  
*a été évalué et jugé conforme aux exigences requises par :*

**ISO 14001 : 2004**

and is developed on the following locations:
